

Purpose Built Moto's Black Box control module comes with a 12 month limited warranty from the date of purchase. This warranty covers faults stemming from the manufacture of the product and covers use only under the terms defined below:

NORMAL USE is:

- 12 to 14.5V DC supply
- 55W@12V max for low beam
- 80W@12V max for high beam
- 42W@12V max for each left/right turn beam

Any use outside of normal use, OR misconnection of the wiring, OR abuse, neglect, alteration or attempted repair by unauthorized personnel, OR removing covers on the module will void the warranty.

The buyer acknowledges and agrees that in no event shall the Purpose Built Moto be held liable for any special, indirect, incidental or consequential damages, or for injury, loss or damage sustained by any person or property, that may result from this product failing to operate correctly at any time.
